ABOUT OUR METHODS

M.O.B K9 Training is a professional dog training service dedicated to helping dogs and handlers reach their full potential through **science-backed techniques and modern training tools**. Our trainers believe in **balanced, positive reinforcement** methods, ensuring that both dogs and their handlers build trust, confidence, and strong bonds throughout the training journey. We offer a range of training options to meet individual needs, from group classes to personalised private sessions and in-depth board-and-train programmes.

At M.O.B K9 Training, we place a **strong emphasis on training handlers alongside their dogs**. This dual focus ensures that handlers understand how to maintain and reinforce their dog's progress at home and in real-world situations. Our approach promotes consistent results by empowering owners with the skills needed to confidently manage their dogs in any environment. Whether addressing basic obedience or complex behavioural issues, we are committed to setting both handler and dog up for long-term success.

WHY CLIENTS HAVE TO SAY

“ Daniel was AMAZING with our puppy - She has some bad separation anxiety and after only one session with Daniel we can already see so much improvement. Would definitely recommend

- ELIZABETH

“ Working with Daniel was a pleasure, he took good care of my pup and he achieved in a short time what I could'nt in months. I also found him very caring and loving towards my 4 legged child. I will recomend his services to anyone that needs help with their pets.
